

U.S. Environmental Protection Agency
NDWAC CCR Rule Revision (CCR3) Working Group
Virtual Meeting
[\(Click here to join the meeting\)](#); call-in number at +1 978-746-6050)
August 6th, 2021 from 3:30-6:00pm ET
Agenda

Meeting Objectives:

- Provide an overview of the four targeted issues for which EPA is seeking advice and recommendations from the National Drinking Water Advisory Council (NDWAC);
- Discuss working group mission, operating protocols, and overall timeline;
- Identify a meeting approach that best supports the Working Group's schedule; and
- Plan next steps.
